

/ **TREY McCOY**

Enterprise Account Executive at Adlumin Inc.

Trey McCoy is an Enterprise Account Executive (AE) at Adlumin Inc., a cybersecurity technology firm that focuses on revolutionizing how corporate institutions secure sensitive data and intellectual property while achieving their compliance objectives through its security and compliance automation platform. McCoy is responsible for working as the client liaison and primary solution consultant throughout the sales process.

McCoy attended Kennesaw State and has been in the IT industry for over five years. Before joining Adlumin, McCoy spent three years at Secureworks, working with new clients and a select group of existing accounts.

In his spare time, you can find McCoy working out, on the golf course, or supporting any Atlanta professional sports teams and the West Virginia Mountaineer.
